

DIRECTIONS TO THE B-M FARM

- 1. North on Hwy 75 (Central Expressway) to Exit #45 (Hwy 121). Do not exit anywhere else just because it may also say “Highway 121”. We really mean Exit Number 45.**
- 2. Proceed North on Hwy 121 to the Southern outskirts of Bonham (that’s about 32 miles North from Exit #45). You will see mileage signs along the way. Hwy 121 and Hwy 82 will converge at that location.**
- 3. Continue for approximately ½ mile going under the railroad bridge. Get into the left lane as soon as you can, as Hwy 121 and Hwy 82 will turn to the left at the next traffic light.**
- 4. Turn left with Hwy 121 and Hwy 82 and proceed North past the Hwy 82 overpass about 2½ miles to FM 898.**
- 5. Turn left on FM 898 and go for 3 to 4 miles to FM 274. You will see a sign that says RAVENNA. Turn right on FM 274.**
- 6. Continue about 4 miles and proceed through Ravenna. At the northern end of Ravenna the highway splits with FM 1753 going to the left and FM 274 to the right. STAY on FM 274.**
- 7. From the northern end of Ravenna go about 1 ½ - 2 miles. AFTER the road turns to the left, watch for a county road on your right. (This is Fannin County Road #1105). There will be a small sign saying “Union Baptist Church”. Turn right on to this road and go about ½ mile. You will see the church on your right. The next property on the right is the B-M Farm. You will see our two story house. There is a “B-M Farm” sign over the brown and yellow gate.**
